学長あいさつ Message from the President

奈良女子大学長 President of Nara Women's University

今 岡 春 樹 IMAOKA, Haruki

大学は学問研究を通じて文化や科学を創造し、教育活動によって次の時代を担う人材の育成を行うことを使命としています。奈良女子大学では高度な研究を進めるとともに、これと連動して女性の人材育成のための教育を行っています。本学は、文学部、理学部、生活環境学部の3学部と大学院人間文化研究科(博士前期課程(修士)と博士後期課程(博士))を擁しており、小規模ながらも個性ある教育研究を行っています。また、国際交流・貢献や広域的な地域連携などの「社会連携」活動を強化しています。「教育」、「研究」、「社会連携」の三者を有機的に結びつけ、複雑化する社会で積極的に活躍できる人材育成を図り、21世紀の新しい時代における女性の高等教育の拠点となることを目指しています。

The university's aim is to creatively promote the arts and sciences through academic research and to pursue its mission to cultivate leaders for the next generation through educational activity. Nara Women's University continues to cultivate human resources among women through advancing and promoting high-level research. Our university is comprised of three undergraduate faculties — the Faculty of Letters, the Faculty of Science, and the Faculty of Human Life and Environment — and the Graduate School of Humanities and Sciences (master's and doctoral courses). Because we are small in scale, we can strive for an individualized approach. We are also focused on further advancing "Social Cooperation" activities, such as international exchanges, as well as wide-ranging regional cooperation. By organically combining the three areas of "Education", "Research" and "Social Cooperation", we aim to become a base for women's higher education in the 21st century, and to cultivate human resources to play an active, leading role in this increasingly complex society.
